INVITATION TO SUBMIT PROPOSALS AND INSTRUCTION TO APPLICANTS

2.1 Introduction

Whereas the Chhattisgarh State Minor Forest Produce(Trading &Development) Co- operative Federation Limited, Raipur here in after called the FEDERATION has been appointed as Agent for the collection, purchase and trade of Herbal Products in whole of the state as per orders of the State Government here in after called Government.

Non-Specified Minor Forest Produces are those Minor Forest Produces on which the state does not have any monopolistic control. Nevertheless, the state develops these resources through enabling policy. M.F.P. Federation promotes their in-situ conservation, value addition, processing and marketing of minor forest produce to provide maximum benefits to the local communities and the MFP collectors.

The state has realized the importance of the fast-growing medicinal plant sector and the global preference towards the Indian System of Medicine. Realizing the potential of medicinal plants and other non-specified MFP, their availability and economic utility in the state, the Federation is promoting for conservation and non-destructive harvesting of MFP on sustainable basis.

The C.G.M.F.P. Federation is responsible for timely and effective management of non- specified minor forest produce including medicinal, aromatic and dye plants through implementation of various projects that are being undertaken from time to time. At the field level, the Managing Director of the District Union executes the various projects.

2.2 Brief about Chhattisgarh State Minor Forest Produce (Trading & Development)

Chhattisgarh having about 44 percent geographical area under forest cover, which is very rich in biodiversity because of favourable agro-climatic conditions like good rainfall and comparatively less biotic interference.

Forest products are used by rural communities as medicine, food supplements and moreover, the rural communities earn substantial income especially during non-agriculture season through the collection and sale of these produce. Currently, trade in specified MFP is organized and controlled by the Chhattisgarh State Minor Forest Produce (T & D) Co-operative Federation through three tier Co-operative bodies of Tendu leaves pluckers. The unorganized trade of non- specified MFP/ Medicinal plants has led to low collection prices to the gatherers and unsustainable harvesting of MFP from forest areas.

Chhattisgarh Government has declared the state as "Herbal State" with an objective to conserve plant Resource in natural form. Cultivation of medicinal plants in and outside the forest, non-destructive harvesting, promotion of organized trade and promotion of MFP based industries for processing of MFP so as to generate the additional employment opportunities in the state, improve socio-economic status of rural communities and provide health cover are the main activities taken up by the MFP Federation to achieve the objectives of herbal state.

2.3 Project Background

MFPFED is in the process of developing a feasible model under PPP mode to promote MFP sector in Chhattisgarh by garnering private player participation. For the stated task detailed project report will play a pivotal role and hence this Request for Proposal is being issued. Since the above-mentioned feasible model under PPP mode will be for one identified product i.e. tamarind, proposals are being invited from the eligible applicant/s for preparing Detailed Project Report for setting up Integrated Tamarind Processing Unit in Chhattisgarh.
