- ✓ Increase in WPI factor to reflect the increase between the WPI for last Financial Year (ending on 31st March) and the WPI for the previous financial year (ending on 31st March) (whichever is higher)

The revised Annual O&M Fee after including annual escalation factor would be applicable from second year of operation and shall undergo revision every year as defined in this Article

- b. Annual Gross Revenue herein includes all revenue receipts from sale of all products manufactured at the Project site or from sale of any product produced or moved out from the boundary of the Project Site. The Operator shall ensure that revenue from the sale of all products are credited into Escrow Account of the Operator and not in any other bank account.
- c. The Annual O&M fee to be paid to the Authority as calculated in Article 8.3, would increase basis increase in intake of raw material

- i. The Annual O&M Fee as calculated in Article 8.3 would undergo increase based upon actual intake of raw material as following:

Increase in Annual O&M Fee for respective Accounting Year

- ✓ For every additional 675 MT intake as raw material (pulp/seed) Per Accounting Year, over and above 13500 MT as raw material Per Accounting Year, the Annual O&M Fee shall be increased by 4% (four percent).
 - ✓ For every additional 675 as raw material (pulp/seed) Per Accounting Year production of all products over and above 15000 MT as raw material Per Accounting Year, the Annual O&M Fee shall be increased by 3% (four percent).
- d. The Annual O&M Fee as applicable for respective year of operation would be paid in four instalments on a quarterly basis.
 - ✓ Quarterly O&M Fee to be paid every quarter would be = (Annual O&M Fee as applicable for respective financial year/ 4)
- 8.2.1 In consideration of the rights, privileges and interests granted by the Authority to the Operator in terms of this Agreement, the Operator shall pay the Annual O&M Fee to the Authority, commencing from Handover Date as follows:
- ✓ Annual O&M Fee shall be due and payable, in four installments on quarterly basis, latest by the seventh day of the succeeding month through the Escrow mechanism set forth in this Agreement, starting from Handover Date.
- 8.2.2 The Operator shall not be granted any waiver in the O&M Fee during any circumstances including change in the taxes.
- 8.2.3 For the avoidance of doubt, GST or any other tax applicable shall be borne by the Operator over and above the Annual O&M Fee as per clause 8.1.
- 8.2.4 In the event of delay up to 7 days from the due date in the payment of the Annual O&M Fee, the Operator shall be liable to pay to the Authority, interest on the due amount at the rate of SBI PLR plus 2 % (two percent) per annum, for the period from the due date until the date of actual payment.
- 8.2.5 In consideration of the Grant, the Operator hereby agrees to make payment of O&M Fee for the Initial Term and Extended Term (if any) accordance with clause 8.1 & 8.2

8.2.6 The operator shall be liable to pay damages for any delay in payments of Annual O&M fee to the Authority calculated at the rate of SBI PLR + 2 % per annum for the period from due date until the date of actual payment.

8.3 Change in Annual O&M Fee for first year of Operation due to change in actual Project cost

The Annual O&M Fee quoted by the successful bidder for the first year of operation would be escalated/ de-escalated if the Actual Project Cost, which has been spent by the Authority for the ITPU is more/ less than 10% than the Estimated Project Cost as mentioned in the RFP document.

In that case, if the difference in the Actual Project Cost spent by the Authority and the Estimated Project Cost is more/ less than 10%, then the increase/ decrease in Annual O&M fee for first year of Operation would be in the same proportion, calculated as

Escalated/De-escalated Annual O&M Fee = Annual O&M Fee as quoted by the Operator x (Actual Project Cost / Estimated Project Cost)

However, such increase/ decrease in the Annual O&M Fee is capped at 25% increase/ decrease in the Estimated Project Cost as mentioned in the RFQ document. (If the total spending by the Authority is more/ less than 25% of the estimated project cost, the proportionate increase/ decrease in the Annual O&M fee will be capped to be increased/ decreased by 25% only)

ARTICLE 12: INSURANCE

12.1 Insurance

12.1.1 The Operator shall effect and maintain at its own cost such insurances for such maximum sums as may be required under the Applicable Laws, and such insurances as may be necessary or prudent in accordance with Good Industry Practice or may be desired as feasible by the Authority. The Operator shall also effect and maintain such insurances as may be necessary for mitigating the risks that may devolve on the Authority as a consequence of any act or omission of the Operator during the Term. The Operator shall procure that in each insurance policy, the Authority shall be a co-insured and that the insurer shall pay the proceeds of insurance into the Escrow Account.

1.1.2 Insurance during Operation Period

Prior to the Handover Date, the Operator shall obtain and maintain at no cost to the Authority in respect of the Project and its operations such insurance as may be required under the Applicable Laws and such insurance as the Operator may reasonably consider necessary or desirable in accordance with Good Industry Practice or may be desired as feasible by the Authority. The Operator shall procure that in each insurance policy, the Authority shall be a co-insured and that the insurer shall pay the proceeds of insurance into the Escrow Account. For the sake of brevity, the aggregate of the maximum sums insured under the insurance taken out by the Operator pursuant to this Article 12 are herein referred to as the "Insurance Cover".

12.2 Insurance Cover

The Operator shall, during the Term, procure and maintain Insurance Cover including but not limited to the following:

- 12.2.1 loss, damage or destruction of the Project Assets, including assets handed over by the Authority to the Operator, at replacement value, cash handling;
- 12.2.2 comprehensive third party liability insurance including injury to or death of personnel of the Authority or others caused by the Project;
- 12.2.3 the Operator's general liability arising out of this Agreement;
- 12.2.4 liability to third parties for goods or property damage;
- 12.2.5 workmen's compensation insurance; and
- 12.2.6 any other insurance that may be necessary to protect the Operator and its employees, including all Force Majeure Events that are insurable at commercially reasonable premiums and not otherwise covered in 12.2.1 to 12.2.5 above or as may be required by the Authority.

12.3 Evidence of Insurance Cover

All insurances obtained by the Operator in accordance with this Article 12 shall be maintained with insurers on terms consistent with Good Industry Practice. The Operator shall furnish to the Authority, notarized true copies of the certificate(s) of insurance, copies of insurance policies and premium payment receipts in respect of such insurance, and no such insurance shall be cancelled, modified, or allowed to expire or lapse until the expiration.

12.4 Remedy for failure to insure

If the Operator fails to effect and keep in force all insurances for which it is responsible pursuant hereto, entire responsibility shall be that of the Operator in case of any consequence. Authority shall have the option to either keep in force any such insurance, and pay such premium and recover the costs thereof from the Operator as an acknowledged debt.

12.5 Waiver of subrogation

All insurance policies in respect of the insurance obtained by the Operator shall include a waiver of any and all rights of subrogation or recovery of the insurers thereunder against, inter alia, the Authority, and its assigns, successors, undertakings and their subsidiaries, affiliates, employees, insurers and underwriters, and of any right of the insurers to any set-off or counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of any such person insured under any such policy or in any way connected with any loss, liability or obligation covered by such policies of insurance.

12.6 Application of insurance proceeds

The proceeds from all insurance claims, except life and injury, shall be paid to the Operator by credit to the Escrow Account and it shall, notwithstanding anything to the contrary contained in Article 10.3, apply such proceeds for any necessary repair, reconstruction, reinstatement, replacement, improvement or delivery of the Project.

ARTICLE 13: ACCOUNTS AND AUDIT

13.1 Audited accounts

- 13.1.1 The Operator shall maintain separate books of accounts with respect to the Project in compliance with generally applicable accounting principles in India, which books of accounts shall be duly audited by a statutory auditor in accordance with the requirements of Applicable Law. Copies of such books of accounts shall be provided to the Authority upon written request from the Authority and shall also be available for audit as and when required.

13.2 Appointment of auditors

- 13.2.1 The Operator shall appoint, and have during the subsistence of this Agreement as its statutory auditors, a firm chosen by it from the mutually agreed reputable firms of chartered accountants. All fees and expenses of the statutory auditors shall be borne by the Operator.
- 13.2.2 Notwithstanding anything to the contrary contained in this Agreement, the Authority shall have the right, but not the obligation, to appoint at its cost from time to time and at any time, another firm (the “Additional Auditors”) and verify all those matters, expenses, costs, realizations and things which the statutory auditors are required to do, undertake or certify pursuant to this Agreement.

13.3 Certification of claims by Statutory Auditors

- 13.3.1 Any claim or document provided by the Operator to the Authority in connection with or relating to receipts, income, payments, costs, expenses, accounts or audit, and any matter incidental thereto shall be valid and effective only if certified by its statutory auditors.

ARTICLE 14: FORCE MAJEURE

14.1 Force Majeure Event:

- 14.1.1 The Operator or the Authority, as the case may be, shall be entitled to initially suspend the performance of its respective obligations under the Agreement to the extent that the Operator or the Authority (“Affected Party”), as the case may be, is unable to render such performance due to a force majeure event.
- 14.1.2 In the Agreement, no event or circumstance and/or no combination of events and circumstances shall be treated as a Force Majeure Event unless it satisfies all the following conditions:
- a. materially and adversely affects the performance of an obligation;
 - b. are beyond the reasonable control of the Affected Party;
 - c. such Party could not have prevented or reasonably overcome with the exercise of Good Industry Practice or reasonable skill and care;
 - d. do not result from the negligence or misconduct of such Party or the failure of such Party to perform its obligations hereunder; and
 - e. which, by itself or consequently, has an effect described in Article 14.1.1.
- 14.1.3 Force majeure event (“Force Majeure Event”) includes the following events and/ or circumstances to the extent that they or their consequences satisfy the requirements set forth in Article 14.1.2:
- a. war (whether declared or undeclared), invasion, armed conflict or act of foreign enemy in each case involving or directly affecting the Site;
 - b. revolution, riot, insurrection or other civil commotion, act of terrorism or sabotage in each case within the Site or near vicinity;
 - c. nuclear explosion, radioactive or chemical contamination or ionizing radiation directly affecting the Site and/or the Project Assets, unless the source or cause of the explosion, contamination, radiation or hazardous thing is brought to or near the Site by the Operator or any affiliate of the Operator or any Subcontractor of the Operator or any of their respective employees, servants or agents;
 - d. strikes, working to rule, go-slows and/or lockouts which are in each case widespread, nationwide or political and affects the Site;
 - e. any effect of the natural elements, including lightning, fire, earthquake, unprecedented rains, tidal wave, flood, storm, cyclone, typhoon or tornado, within the Site or near vicinity;
 - f. explosion (other than a nuclear explosion or an explosion resulting from an act of war) within the Site or near vicinity;
 - g. epidemic, pandemic or plague within the Site or near vicinity; and
 - h. Any event or circumstances of a nature analogous to any events set forth in a. to f. above, within the Site or near vicinity.

14.2 Procedure for Force Majeure:

- 14.2.1 If a Party claims relief on account of a Force Majeure Event, then the Party claiming to be affected by the Force Majeure Event shall, immediately on becoming aware of the Force Majeure Event, give notice of and describe in detail: (i) the Force Majeure Event(s) that has occurred; (ii) the obligation(s) affected as described in this Article 14 (iii) the dates of commencement and estimated cessation of such event of Force Majeure; and (iv) the manner in which the Force Majeure Event(s) affect the Party's ability to perform its obligation(s) under the Agreement. No Party shall be able to suspend or excuse the non-performance of its obligations hereunder unless such Party has given the notice specified above. The Parties expressly agree that payment of Annual Revenue Share shall not be suspended during the pendency of Force Majeure Event and/or its effect.
- 14.2.2 The Affected Party shall have the right to suspend the performance of the obligation(s) affected as described in Article 14.2.1 above, upon delivery of the notice of the occurrence of a Force Majeure Event in accordance with Article 14.2.1 above. The Affected Party, to the extent rendered unable to perform its obligations or part thereof under the Agreement, as a consequence of the Force Majeure Event, shall be excused from performance of the obligations provided that the excuse from performance shall be of no greater scope and of no longer duration than is reasonably warranted by the Force Majeure Event.
- 14.2.3 The time for performance by the Affected Party of any obligation or compliance by the Affected Party with any time limit affected by Force Majeure Event, and for the exercise of any right affected thereby, shall be extended by the period during which such Force Majeure Event continues and by such additional period thereafter as is necessary to enable the Affected Party to achieve the level of activity prevailing before the event of Force Majeure Event.
- 14.2.4 Each Party shall bear its own costs, if any, incurred as a consequence of the Force Majeure Event.
- 1.1.5 The Party receiving the claim for relief under Force Majeure Event shall, if it wishes to dispute the claim, give a written notice of Dispute to the Party making the claim within 30 (thirty) days of receiving the notice of claim. If the notice of claim is not contested within 30 (thirty) days as stated above, all the Parties shall be deemed to have accepted the validity of the claim. If any Party disputes a claim, the Parties shall follow the procedures set forth in Article 14.2.

14.3 Mitigation of Force Majeure:

The Party claiming to be affected by a Force Majeure Event shall take all reasonable steps to prevent, reduce to a minimum and mitigate the effect of such Force Majeure Event. The Affected Party shall also make efforts to resume performance of its obligations under the Agreement as soon as possible and upon resumption, shall forthwith notify the other Party of the same in writing. Further, each Party shall bear its own costs, if any, incurred as a consequence of the Force Majeure Event and the

time for performance by the Affected Party of any obligations or compliance by the affected Party with any time limit affected by Force Majeure Event and for the exercise of any right Affected thereby, shall be extended as may be decided by the Authority by the period during which such Force Majeure Event continues and by such additional period thereafter as is necessary to enable the Affected Party to achieve the level of activity prevailing before the Force Majeure Event, provided the expiry of term remains as it is.

ARTICLE 15: COMPENSATION FOR BREACH OF AGREEMENT

15.1 Compensation for default by Operator

In the event of Operator being in material default of this Agreement and such default is cured before Termination, the Operator shall pay to the Authority as compensation, all direct additional costs suffered or incurred by the Authority arising out of such material default by the Operator, in one lump sum within ninety days of receiving the demand supported by necessary particulars thereof; provided that no compensation shall be payable under this Article 15.1 for any material breach or default in respect of which damages are expressly specified and payable under this Agreement or for any consequential losses incurred by the Authority.

15.2 Mitigation of costs and damage

The Authority shall make all possible efforts to mitigate or limit the costs and damage arising out of or as a result of breach of Agreement by the Operator.

ARTICLE 16: SUSPENSION OF OPERATOR'S RIGHTS

16.1 Suspension upon Operator Event of Default

Upon occurrence of an Operator Event of Default, the Authority shall be entitled, without prejudice to its other rights and remedies under this Agreement including its rights of Termination hereunder, to (a) suspend all rights of the Operator under this Agreement including the Operator's right to collect revenues, and (b) exercise such rights itself and perform the obligations hereunder or authorize any other person to exercise or perform the same on its behalf during such suspension (the "Suspension"). Suspension hereunder shall be effective forthwith upon issue of notice by the Authority to the Operator. The Authority may extend the period of suspension at its sole discretion for further period as it may deem fit.

16.2 Authority to act on behalf of Operator

16.2.1 Subject to Article 16, the Authority shall have the right to utilise the revenues for meeting the costs incurred by the Authority to remedy and rectify the cause of such Suspension and for defraying the expenses during such Suspension period. Provided, however, that if the Operator is making diligent efforts to remedy and rectify such cause, then the Authority shall allow the Operator reasonable time and opportunity for such remedy or rectification.

16.2.2 During the period of Suspension hereunder, all rights and liabilities vested in the Operator in accordance with the provisions of this Agreement shall continue to vest therein and all things done or actions taken, including expenditure incurred by the Authority for discharging the obligations of the Operator under and in accordance with this Agreement and other agreements in relation to the Project, shall be deemed to have been done or taken for and on behalf of the Operator and the Operator undertakes to indemnify the Authority for all costs incurred during such period. The Operator hereby licenses and sub-licenses respectively, the Authority or any other person authorized by it under Article 16.1 to use during Suspension, all Intellectual Property belonging to or licensed to the Operator with respect to the Project and its design, engineering, construction, operation and maintenance, and which is used or created by the Operator in performing its obligations under the Agreement.

16.3 Revocation of Suspension

16.3.1 The suspension of the rights of the Operator by the Authority pursuant to Article 16.1 above shall be revoked by the Authority forthwith upon the Operator having remedied or removed the cause of suspension within a period not exceeding ninety days from date of suspension to the satisfaction of the Authority unless in the meantime this Agreement has been terminated by the Authority in accordance with Article 16.

16.4 Termination

- 16.4.1 At any time during the period of Suspension under this Article 16, the Operator may by notice require the Authority to revoke the Suspension and issue a Termination Notice. The Authority shall, within 15 (fifteen) days of receipt of such notice, terminate this Agreement under and in accordance with Article 17.
- 16.4.2 Notwithstanding anything to the contrary contained in this Agreement, in the event that Suspension is not revoked within ninety days from the date of Suspension hereunder or within the extended period, if any, set forth in Article 16.1, the Agreement shall, upon expiry of the aforesaid period, be deemed to have been terminated by mutual agreement of the Parties and all the provisions of this Agreement shall apply, mutatis mutandis, to such Termination as if a Termination Notice had been issued by the Authority upon occurrence of an Operator Event of Default.

ARTICLE 17: TERMINATION

- o. subsequent to the replenishment or furnishing of fresh Performance Security in accordance with Article 7.2, the Operator fails to meet any Condition Precedent or

- cure the Operator Default, as the case may be, for which whole or part of the Performance Security was appropriated, within a Cure Period of ninety days;
- p. the Operator has failed to make any payment to the Authority within the period specified in this Agreement.

10.4.3 Without prejudice to any other rights or remedies which the Authority may have under this Agreement, upon occurrence of an Operator Event of Default, the Authority shall be entitled to terminate this Agreement by issuing a Termination Notice to the Operator.

17.2 Termination for Authority Default

17.2.1 The Operator may after giving ninety days' notice in writing to the Authority terminate this Agreement upon the occurrence and continuation of any of the following events (each a "Authority Event of Default"), unless any such Authority Event of Default has occurred as a result of Operator Event of Default or due to a Force Majeure Event.

- a. Authority is in breach of this Agreement and such breach has a Material Adverse Effect on the Operator and the Authority has failed to cure such breach or take effective steps for curing such breach within ninety days of receipt of notice in this behalf from the Operator;
- b. Authority repudiates this Agreement or otherwise evidences an irrevocable intention not to be bound by this Agreement;
- c. Authority is in breach of any representation or warranty made under this Agreement.

17.3 Termination Payment due to Authority Default

There shall be no termination payment from one Party to the Other and each Party shall bear its own cost on termination of this Agreement.

17.3.1 Termination Payment due to Operator Default

There shall be no termination payment from one Party to the Other and each Party shall bear its own cost on termination of this Agreement. However, all raw material, finished products, plant and machinery or any other asset/ tangible item present at the Project site would become the property of the Authority. The Operator would not be allowed to take/ move any movable or immovable assets/ tangible item outside the Project site.

17.4 Survival of rights

Notwithstanding anything to the contrary contained in this Agreement, any Termination pursuant to the provisions of this Agreement shall be without prejudice to accrued rights of either Party including its right to claim and recover money damages and other rights and remedies which it may have in law or contract. All rights and obligations of either Party under this Agreement, including without limitation Termination Payments and Divestment procedures, shall survive the Termination of this Agreement to the extent such survival is necessary for giving effect to such rights and obligations.

ARTICLE 18: DIVESTMENT OF RIGHTS AND INTEREST

18.1 Divestment Requirements

18.1.1 Upon Termination of this Agreement for any reason whatsoever, the Operator shall comply with and conform to the following Divestment Requirements:

- a. notify to the Authority forthwith the location and particulars of all Project Assets;
- b. vacate the Project, it being agreed that the legal, actual, physical and constructive possession of the Project and the Site is and shall always, during the term of the Agreement and thereafter, remain vested with the Authority ;
- c. cure all Project Assets, of all defects and deficiencies of the Project, if any;
- d. deliver and transfer relevant records, reports, Intellectual Property and other licenses pertaining to the Project and its design, engineering, construction, operation and maintenance, including all programmes and manuals pertaining thereto, and complete 'as built' drawings as on the Transfer Date. For the avoidance of doubt, the Operator represents and warrants that the Intellectual Property delivered hereunder shall be adequate and complete for the design, engineering, construction, operation and maintenance of the Project and shall be assigned to the Authority free of any liability, Encumbrance;
- e. transfer and/or deliver all applicable permits to the extent permissible under Applicable Laws;
- f. execute such deeds of conveyance, documents and other writings as the Authority may reasonably require for conveying, divesting and assigning all the rights, title and interest of the Operator in the Project Assets, including manufacturers' warranties in respect of any plant or equipment and the right to receive outstanding insurance claims to the extent due and payable to the Authority, absolutely unto the Authority or its nominee; and
- g. comply with all other requirements as may be prescribed or required under Applicable Laws for completing the divestment and assignment of all rights, title and interest of the Operator in the Project, free from all Encumbrances, liabilities absolutely unto the Authority or to its nominee.

18.1.2 Subject to the exercise by the Authority of its rights under this Agreement or under any of the agreements related to the Project to perform or procure the performance by a third party of any of the obligations of the Operator, the Parties shall continue to perform their obligations under this Agreement, notwithstanding the issuance of any Termination Notice, until the Termination of this Agreement becomes effective in accordance with its terms.

18.2 Cooperation and assistance on transfer of Project

- 18.2.1 The Parties shall cooperate on a best effort basis and take all necessary measures, in good faith, to achieve a smooth transfer of the Project in accordance with the provisions of this Agreement so as to protect the safety of and avoid undue delay or inconvenience to the Users, other members of the public or the lawful occupiers of any part of the Site.
- 18.2.2 The Parties shall provide to each other, six months prior to the Transfer Date in the event of Termination by efflux of time and immediately in the event of either Party conveying to the other Party its intent to issue a Termination Notice, as much information and advice as is reasonably practicable regarding the proposed arrangements for operation of the Project following the Transfer Date. The Operator shall further provide such reasonable advice and assistance as the Authority, its operator or agent may reasonably require for operation of the Project until the expiry of 6 (six) months after the Transfer Date.

18.3 Divestment costs etc.

- 18.3.1 The Operator shall bear and pay all costs incidental to divestment of all of the rights, title and interest of the Operator in the Project Assets in favor of the Authority upon Termination, save and except that all stamp duties payable on any deeds or Documents executed by the Operator in connection with such divestment shall be borne by the Authority.

ARTICLE 19: ASSIGNMENT AND CHARGES

19.1 Restrictions on assignment and charges

19.1.1 Subject to Article 18.2, this Agreement shall not be assigned by the Operator to any person, save and except with the prior consent in writing of the Authority, which consent the Authority shall be entitled to decline without assigning any reason and the denial shall not be subject to test of reasonability.

19.1.2 Subject to the provisions of Article 18.2, the Operator shall not create nor permit to subsist any Encumbrance, or otherwise transfer or dispose of all or any of its rights and benefits under this Agreement or any Agreements related to the Project to which the Operator is a party except with prior consent in writing of the Authority, which consent the Authority shall be entitled to decline without assigning any reason and the denial shall not be subject to test of reasonability.

19.2 Assignment by Authority

Notwithstanding anything to the contrary contained in this Agreement, the Authority may, after giving 10 (ten) days' notice to the Operator, assign and/or transfer any of its rights and benefits and/or obligations under this Agreement to an assignee who is, in the reasonable opinion of the Authority, capable of fulfilling all of Authority's then outstanding obligations of the Agreement.

ARTICLE 20: CHANGE IN LAW

- 20.1 In the event of a Change in Law results in a Material Adverse Effect, the Authority or the Operator may by notice in writing to the other party request such modifications to the terms of this Agreement as the requesting party reasonably believes is necessary to place it in substantially the same legal, commercial and economic position as it was prior to such Change in Law. The Operator and the Authority shall thereafter consult in good faith to agree to such modifications and in the event agreement cannot be reached, either of them may refer the matter for determination in accordance with the Dispute Resolution Procedure. It is hereby clarified that the parties shall continue to fulfil their obligations under this agreement during pending resolution of any Dispute under this Article.
- 20.2 For the avoidance of doubt, a change in the rate of any Tax or the imposition of a new Tax or imposition of an existing Tax to items on which the same is not applicable as on Appointed Date shall not constitute a Change in Law and the Parties shall be liable to bear the impact and incidence thereof at their cost and risk.

ARTICLE 21: LIABILITY AND INDEMNITY

21.1 Liability in respect of the Project

Operator shall be solely responsible for the construction, if any, operation and maintenance of the Project, and shall have the overall responsibility and liability with respect to the Project and all Projects Assets located upon the Project Site. In no event shall the Authority have any liability or be subject to any claim for damages arising out of the design, development, financing, construction, operation, maintenance or management of the Project and the Project Assets located upon the Project Site.

21.2 General indemnity

The Operator will indemnify, defend, save and hold harmless the Authority and its officers, servants, agents, Government Instrumentalities and Government owned and/or controlled entities/enterprises, (the “Indemnified Persons”) against any and all suits, proceedings, actions, demands and claims from third parties for any loss, damage, cost and expense of whatever kind and nature, whether arising out of any breach by the Operator of any of its obligations under this Agreement or any related agreement or on account of any defect or deficiency in the provision of services by the Operator to the Authority or from any negligence of the Operator under contract or tort or on any other ground whatsoever, except to the extent that any such suits, proceedings, actions, demands and claims have arisen due to any negligent act or omission, or breach or default of this Agreement on the part of the Authority Indemnified Persons.

21.3 Indemnity by the Operator

21.3.1 Without limiting the generality of Article 21.2, the Operator shall fully indemnify, hold harmless and defend the Authority and Authority Indemnified Persons from and against any and all loss and/or damages arising out of or with respect to:

- a. failure of the Operator to comply with Applicable Laws and applicable permits;
- b. payment of taxes required to be made by the Operator in respect of the income or other taxes of the Operator’s contractors, suppliers and representatives; or
- c. non-payment of amounts due as a result of materials or services furnished to the Operator or any of its contractors which are payable by the Operator or any of its contractors.

21.3.2 Without limiting the generality of the provisions of this Article 21, the Operator shall fully indemnify, hold harmless and defend the Authority Indemnified Persons from and against any and all suits, proceedings, actions, claims, demands, liabilities and damages which the Authority Indemnified Persons may hereafter suffer, or pay by reason of any demands, claims, suits or proceedings arising out of any accidents, consumer complaints, claims by regulatory bodies including without limitation claims under the Legal Metrology Act, 2009 and the Food Safety And Standards Act, 2006, claims of employees, union, third party claims, claims of infringement of any domestic or foreign patent rights, copyrights or other intellectual property, proprietary or confidentiality rights with respect to any materials, information, design or process used by the Operator

or by the Operator's contractors in performing the Operator's obligations or in any way incorporated in or related to the Project. If in any such suit, action, claim or proceedings, a temporary restraint order or preliminary injunction is granted, the Operator shall make every reasonable effort, by giving a satisfactory bond or otherwise, to secure the revocation or suspension of the injunction or restraint order. If, in any such suit, action, claim or proceedings, the Project, or any part thereof or comprised therein, is held to constitute an infringement and its use is permanently enjoined, the Operator shall promptly make every reasonable effort to secure for the Authority a license, at no cost to the Authority, authorizing continued use of the infringing work. If the Operator is unable to secure such license within a reasonable time, the Operator shall, at its own expense, and without impairing the specifications and standards, either replace the affected work, or part, or process thereof with non-infringing work or part or process, or modify the same so that it becomes non-infringing.

21.4 Notice and contest of claims

In the event that the Authority or either of the Indemnified Persons receives a claim or demand from a third party in respect of which it is entitled to the benefit of an indemnity under this Article (the "Indemnified Party"), it shall notify the Operator (the "Indemnifying Party") within 15 (fifteen) days of receipt of the claim or demand and shall not settle or pay the claim without the prior approval of the Indemnifying Party, which approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim or demand, it may conduct the proceedings in the name of the Indemnified Party, subject to the Indemnified Party being secured against any costs involved, to its reasonable satisfaction.

21.5 No consequential claims

Notwithstanding anything to the contrary contained in this Agreement, in no event shall any Party, its officers, employees or agents be liable to indemnify the other Party for any matter arising out of or in connection with this Agreement in respect of any indirect or consequential loss, including loss of profit, suffered by such other Party.

ARTICLE 22: RIGHTS AND TITLE OVER THE SITE

22.1 License rights

For the purpose of this Agreement, the Operator shall have rights to the use of the Site as licensee subject to and in accordance with and for the purposes of this Agreement.

22.2 Access rights of Authority and others

The Operator agrees that the Authority and its representatives shall have complete, uninterrupted and free access to the Site and Project at all times for the authorised representatives and vehicles of the Authority, and for the persons and vehicles duly authorised by any Government Instrumentality to inspect the Project or to investigate any matter within their authority, and upon reasonable notice, the Operator shall provide to such persons reasonable assistance necessary to carry out their respective duties and functions.

22.3 Taxes and charges

The Operator shall:

- 22.3.1 Pay all property taxes or any such taxes under Applicable Laws on the Site shall be payable by the Operator post the issuance of Certificate of Compliance by the Operator, which shall not be reimbursed or payable by the Authority. Any pending payment, pertaining to property tax or any such taxes under Applicable Laws on the Site, prior to handover of the Site shall be payable by the Authority.
- 22.3.2 Pay all charges, taxes, fines, late fees and other outgoings in relation to the use of utilities and services by the Authority or its contractors and agents during the implementation and operation of the Project such as water supply, sewage disposal, fuel, garbage collection and disposal, electric power, gas, telephone and other utilities and ensure avoidance of any disruption thereof due to disconnection or withdrawal of the facility.

22.4 Restriction on sub-letting

The Operator shall not, sublet the whole or any part of the Site or Project or create any third party rights, title or interest or any encumbrance whatsoever, save and except as may be expressly set forth in this Agreement; provided that nothing contained herein shall be construed or interpreted as restricting the right of the Operator to appoint contractors for the performance of its obligations hereunder including for operation and maintenance of all or any part of the Project as per terms of this Agreement.

ARTICLE 23: DISPUTE RESOLUTION

23.1 Dispute Resolution

- 23.1.1 Any dispute, difference or controversy of whatever nature howsoever arising under or out of or in relation to this Agreement (including its interpretation) between the Parties, and so notified in writing by either Party to the other Party (the “Dispute”) shall, in the first instance, be attempted to be resolved amicably in accordance with the conciliation procedure set forth in Article 23.1.2.
- 23.1.2 The Parties agree to use their best efforts for resolving all Disputes arising under or in respect of this Agreement promptly, equitably and in good faith, and further agree to provide each other with reasonable access during normal business hours to all non-privileged records, information and data pertaining to any Dispute.

23.2 Arbitration

- 23.2.1 Any other Dispute which is not resolved amicably by conciliation, as provided in Clause 23.1.2, shall be finally decided by reference to arbitration by an arbitral tribunal in accordance with Clause 23.2.2. Such arbitration shall be held in accordance with the Rules of Arbitration of the International Centre for Alternative Dispute Resolution, New Delhi (the Rules), and shall be subject to the provisions of the Arbitration and Conciliation Act, 1996 or any subsequent amendment or re-enactment thereof (“Act”). The place of such arbitration shall be Raipur and the language of arbitration proceedings shall be English.
- 23.2.2 There shall be an arbitral tribunal comprising three arbitrators, of whom each Party shall select one, and the third arbitrator shall be appointed by the two arbitrators so selected, and in the event of disagreement between the two arbitrators, the appointment shall be made in accordance with the Act
- 23.2.3 The arbitral tribunal shall make a reasoned award (“Award”). Any Award made in any arbitration held pursuant to this Article 23 shall be final and binding on the Parties as from the date it is made, and the Operator and the Authority agree and undertake to carry out such Award without delay.
- 23.2.4 The Operator and the Authority agree that an Award may be enforced against the Operator and/or the Authority, as the case may be, and their respective assets wherever situated.
- 23.2.5 This Agreement and the rights and obligations of the Parties shall remain in full force and effect, pending the Award in any arbitration proceedings hereunder.

23.3 Continued performance

While any Dispute under this Agreement is pending, including the commencement and pendency of any Dispute referred to arbitration, the Parties shall continue to perform all of their respective obligations under this Agreement

without prejudice to the final determination in accordance with the provisions under this Article 23.

ARTICLE 24: DISCLOSURE AND CONFIDENTIALITY

24.1 Confidentiality

- 24.1.1 Each Party hereby agree and undertake to keep all information received by the other Party (and/or its employees, directors, officers or authorized representatives), confidential.
- 24.1.2 Further, each Party hereby agrees that this Agreement and/or all Agreements related to the Project or the contents thereof shall not be disclosed by either Party to any third party without the prior written consent of the other Party.

24.2 Disclosure

- 24.2.1 Provided however that nothing contained hereinabove, shall apply to any disclosure by either Party of any information received from the other Party if:
- a. Such disclosure is required by Applicable Law or requested by Government or the Authority or required to be made under the agreement; or
 - b. Such information being available in the public domain, other than by a breach of the Agreement by the party seeking to make such disclosure;
 - c. Such information being made available to the consultants and professional advisers of either Party; or
 - d. Such information is disclosed by a Party with the prior written consent of the other Party. Provided the disclosure is made strictly in accordance with such written consent.

ARTICLE 25: TRANSFER PROVISIONS

- 25.1 Upon termination of this Agreement and consequent obligation/right of the Authority to acquire the Project Assets without the Authority required to pay any amount to the Operator, the Operator shall ensure that on the Transfer Date, the interest of Operator in:
- a. all immovable property, assets, structures, buildings, buildings, plant and machinery, ways, walls, compounds relating to the Project Assets shall be transferred to the Authority or its nominee, clear of any Encumbrances and with good title (other than any encroachments existing on the date hereof), except to the extent such encroachments have been removed after Effective Date;
 - b. the rights and obligations under or pursuant to all contracts relating to the Project Assets and other arrangements entered into in accordance with the provisions of this Agreement between Operator and any third party shall (in consideration of Authority's assumption of the obligations under or pursuant to the contracts and other arrangements), at the option of the Authority, be vested in the Authority or its nominee, clear of any Encumbrance and with good title. The Operator shall ensure such rights of the Authority are incorporated in all contracts between Operator and third party(ies) with a specific obligation on the parties to such contracts to enter into novation agreement with the Authority upon exercise of its option by the Authority; and
 - c. Notwithstanding anything contained in Article 25 (a) and (b), prior to any transfer of the Project Assets, the Authority shall have the right to conduct a due diligence of the contracts and agreements, the rights and obligations of which it is assuming and shall not be bound to assume the rights and obligations of contracts that, in the sole opinion of the Authority are unreasonably onerous and would be considered onerous at the time that the contracts were entered into. In relation to all such contracts that are not transferred to the Authority, no third entity, including the counter-party of such contract shall have any right, license title, interest, benefit, claim or demand against or over any Project Assets and such Project Assets shall be transferred to the Authority or its nominee, clear of any Encumbrance and with good title.
- 25.2 Furthermore, notwithstanding anything contained in the Article 25, no liability (accrued or contingent) of Operator or relating to the Project Assets arising on account of actions or inactions prior to the Transfer Date shall be assumed or transferred to Authority or its nominees. Authority or its nominees shall only be liable for liabilities in relation to the Project Assets arising pursuant to the Transfer Date. In the event of any such liability being assumed or transferred to Authority or its nominee or any Encumbrance existing on any of the Project Assets, the quantum of such liability and/or amount corresponding to such Encumbrance, shall be deducted from the Performance Security.
- 25.3 Furthermore, notwithstanding anything contained in the Article 25, no liability (accrued or contingent) of Operator or relating to the Project Assets arising on account of actions or inactions prior to the Transfer Date shall be assumed or transferred to Authority or its nominees. Authority or its nominees shall only be liable for liabilities in relation to the Project Assets arising pursuant to the Transfer Date. In the event of any such liability being assumed or transferred to Authority or its nominee or any Encumbrance existing on any of the Project Assets, the quantum of such liability and/or amount corresponding to such Encumbrance, shall be deducted from the Performance Security.

- 25.4 Without prejudice to the foregoing, Operator agrees to indemnify and keep indemnified actions or omissions of Operator prior to the transfer of the Project Assets. It is expressly understood by the Parties that this Article shall survive the Termination or expiry of this Agreement.
- 25.5 Furthermore, notwithstanding anything contained in the Article 25.1, no liability (accrued or contingent) of **Operator** or relating to the Project Assets arising on account of actions or inactions prior to the Transfer Date shall be assumed or transferred to Authority or its nominees. Authority or its nominees shall only be liable for liabilities in relation to the Project Assets arising pursuant to the Transfer Date. In the event of any such liability being assumed or transferred to Authority or its nominee or any Encumbrance existing on any of the Project Assets, the quantum of such liability and/or amount corresponding to such Encumbrance, shall be deducted from the Performance Security.
- 25.6 Without prejudice to the foregoing, **Operator** agrees to indemnify and keep indemnified Authority from and against all actions, proceedings, losses, damages, liabilities, claims, costs and expenses whatsoever which may be sustained or suffered by Authority as a result of any actions or omissions of **Operator** prior to the transfer of the Project Assets. It is expressly understood by the Parties that this Article shall survive the Termination or expiry of this Agreement.
- 25.7 **Operator** shall in accordance with Good Industry Practice ensure that all property, assets, rights and other items (constituting Assets) which are vested in or transferred to Authority shall be in good working order and in a good state of repair. For this purpose, the Parties shall appoint an independent engineer to conduct an audit of the Project Assets being transferred. In the event any of Project Assets which are vested in or transferred to Authority are not fit for purpose/ in a good state of repair/ as would be expected of an international world class assets, as certified by such Independent Engineer, then the cost or capital expenditure required to be incurred to bring it to good state of repair of all such Project Assets shall be payable by the **Operator** to Authority, and the same may be deducted from the Performance Security.
- 25.8 Expiry or Termination of this Agreement shall be without prejudice to all rights and obligations then having accrued to Authority and/or **Operator** (or which may thereafter accrue in respect of any act or omission prior to such expiry or Termination) and without prejudice to those provisions which expressly provide for continuing obligations or which are required to give effect to such expiry or Termination or the consequences of such expiry or Termination.
- 25.9 The Parties' rights to terminate this Agreement shall be limited to those expressly set out in this Agreement.
- 25.10 Authority at its own discretion may allow the sub- licensees/tenants/and users to continue on mutually negotiable terms and conditions.

ARTICLE 26: MISCELLANEOUS

26.1 Governing Law and jurisdiction

This Agreement shall be construed and interpreted in accordance with and governed by the laws of India, and subject to Article 23 (Dispute Resolution), the courts at Raipur shall have exclusive jurisdiction over matters arising out of or relating to this Agreement.

26.2 Entire Agreement

This Agreement and the Schedules and RFP together constitute a complete and exclusive statement of the terms of the agreement between the Parties on the subject hereof, and no amendment or modification hereto shall be valid and effective unless such modification or amendment is agreed to in writing by the Parties and duly executed by persons especially empowered in this behalf by the respective Parties. All prior written or oral understandings, offers or other communications of every kind pertaining to this Agreement are abrogated and withdrawn. For the avoidance of doubt, the Parties hereto agree that any obligations of the Operator arising from the Request for Proposal shall be deemed to form part of this Agreement and treated as such.

26.3 Severability

If for any reason whatever, any provision of this Agreement is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties will negotiate in good faith with a view to agreeing to one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearly as is practicable to such invalid, illegal or unenforceable provision.

Failure to agree upon any such provisions shall not be subject to the Dispute Resolution Procedure set forth under this Agreement or otherwise.

26.4 No partnership

This Agreement shall not be interpreted or construed to create an association, joint venture or partnership between the Parties, or to impose any partnership obligation or liability upon either Party, and neither Party shall have any right, power or authority to enter into any agreement or undertaking for, or act on behalf of, or to act as or be an agent or representative of, or to otherwise bind, the other Party.

26.5 Third parties

This Agreement is intended solely for the benefit of the Parties, and their respective successors and permitted assigns, and nothing in this Agreement shall be construed to create any duty to, standard of care with reference to, or any liability to, any person not a Party to this Agreement.

NOW, THEREFORE, the Bank hereby, unconditionally and irrevocably, guarantees and affirms as follows:

1. The Bank hereby unconditionally and irrevocably guarantees and undertakes to pay to the Authority upon occurrence of any failure or default in due and faithful performance of all or any of the Operator’s obligations, under and in accordance with the provisions of the Agreement, on its mere first written demand, and without any demur, reservation, recourse, contest or protest, and without any reference to the Operator, such sum or sums upto an aggregate sum of the Guarantee Amount as the Authority shall claim, without the Authority being required to prove or to show grounds or reasons for its demand and/or for the sum specified therein.
2. A letter from the Authority, under the hand of an Officer not below the rank of in the Authority, that the Operator has committed default in the due and faithful performance of all or any of its obligations under and in accordance with the Agreement shall be conclusive, final and binding on the Bank. The Bank further agrees that the Authority shall be the sole judge as to whether the Operator is in default in due and faithful performance of its obligations during the Term of the Agreement under the Agreement and its decision that the Operator is in default shall be final, and binding on the Bank, notwithstanding any differences between the Authority and the Operator, or any Dispute between them pending before any court, tribunal, arbitrators or any other authority or body, or by the discharge of the Operator for any reason whatsoever.

3. In order to give effect to this Guarantee, the Authority shall be entitled to act as if the Bank were the principal debtor and any change in the constitution of the Operator and/or the Bank, whether by their absorption with any other body or corporation or otherwise, shall not in any way or manner affect the liability or obligation of the Bank under this Guarantee.
4. It shall not be necessary, and the Bank hereby waives any necessity, for the Authority to proceed against the Operator before presenting to the Bank its demand under this Guarantee.
5. The Authority shall have the liberty, without affecting in any manner the liability of the Bank under this Guarantee, to vary at any time, the terms and conditions of the Agreement or to extend the time or period for the compliance with, fulfilment and/ or performance of all or any of the obligations of the Operator contained in the Agreement or to postpone for any time, and from time to time, any of the rights and powers exercisable by the Authority against the Operator, and either to enforce or forbear from enforcing any of the terms and conditions contained in the Agreement and/or the securities available to the Authority, and the Bank shall not be released from its liability and obligation under these presents by any exercise by the Authority of the liberty with reference to the matters aforesaid or by reason of time being given to the Operator or any other forbearance, indulgence, act or omission on the part of the Authority or of any other matter or thing whatsoever which under any law relating to sureties and guarantors would but for this provision have the effect of releasing the Bank from its liability and obligation under this Guarantee and the Bank hereby waives all of its rights under any such law.
6. This Guarantee is in addition to and not in substitution of any other guarantee or security now or which may hereafter be held by the Authority in respect of or relating to the Agreement or for the fulfilment, compliance and/or performance of all or any of the obligations of the Operator under the Agreement.
7. Notwithstanding anything contained hereinbefore, the liability of the Bank under this Guarantee is restricted to the Guarantee Amount and this Guarantee will remain in force for days during the Term of the Agreement and unless a demand or claim in writing is made by the Authority on the Bank under this Guarantee, no later than 6 (six) months from the date of expiry of this Guarantee, all rights of the Authority under this Guarantee shall be forfeited and the Bank shall be relieved from its liabilities hereunder.
8. The Bank undertakes not to revoke this Guarantee during its currency, except with the previous express consent of the Authority in writing, and declares and warrants that it has the power to issue this Guarantee and the undersigned has full powers to do so on behalf of the Bank.
9. Any notice by way of request, demand or otherwise hereunder may be sent by post addressed to the Bank at its above referred Branch, which shall be deemed to have been duly authorised to receive such notice and to effect payment thereof forthwith, and if sent by post it shall be deemed to have been given at the time when it ought to have been delivered in due course of post and in proving such notice, when given by post, it shall be sufficient to prove that the envelope containing the notice was posted and a certificate signed by an officer of the Authority that the envelope was so posted shall be conclusive.
10. This Guarantee shall come into force with immediate effect and shall remain in force and effect for a period of Days as mentioned in the O&M Agreement or until it is released earlier by the Authority pursuant to the provisions of the Agreement.

2.1.1 The Operator hereby appoints the Escrow Bank to act as trustee for the Authority and the Operator in connection herewith and authorises the Escrow Bank to exercise such rights, powers, authorities and discretion as are specifically delegated to the Escrow

Bank by the terms hereof together with all such rights, powers, authorities and discretion as are reasonably incidental hereto, and the Escrow Bank accepts such appointment pursuant to the terms hereof.

2.1.2 The Operator hereby declares that all rights, title and interest in and to the Escrow Account shall be vested in the Escrow Bank and held in trust for the Authority and the Operator, and applied in accordance with the terms of this Agreement. No person other than the Authority and the Operator shall have any rights hereunder as the beneficiaries of, or as third party beneficiaries under this Agreement.

2.2 Acceptance of Escrow Bank

The Escrow Bank hereby agrees to act as such and to accept all payments and other amounts to be delivered to and held by the Escrow Bank pursuant to the provisions of this Agreement. The Escrow Bank shall hold and safeguard the Escrow Account during the term of this Agreement and shall treat the amount in the Escrow Account as monies deposited by the Operator or the Authority with the Escrow Bank. In performing its functions and duties under this Agreement, the Escrow Bank shall act in trust for the benefit of, and as agent for, the Authority and the Operator or their nominees, successors or assigns, in accordance with the provisions of this Agreement.

2.3 Establishment and operation of Escrow Account

2.3.1 Within 30 (thirty) days from the date of this Agreement, and in any case prior to the Appointed Date, the Operator shall open and establish the Escrow Account with the (name of Branch) Branch of the Escrow Bank. The Escrow Account shall be denominated in Rupees.

2.3.2 The Escrow Bank shall maintain the Escrow Account in accordance with the terms of this Agreement and its usual practices and applicable regulations, and pay the maximum rate of interest payable to similar customers on the balance in the said account from time to time.

2.3.3 The Escrow Bank and the Operator shall, after consultation with the Authority, agree on the detailed mandates, terms and conditions, and operating procedures for the Escrow Account, but in the event of any conflict or inconsistency between this Agreement and such mandates, terms and conditions, or procedures, this Agreement shall prevail.

2.4 Escrow Bank's fee

The Escrow Bank shall be entitled to receive its fee and expenses in an amount, and at such times, as may be agreed between the Escrow Bank and the Operator. For the avoidance of doubt, such fee and expenses shall form part of the Operating Expenses and shall be appropriated from the Escrow Account in accordance with Clause 4.1.

2.5 Rights of the Parties

Save and except as otherwise provided in the O&M Agreement, the rights of the Authority and the Operator in the monies held in the Escrow Account are set forth in

their entirety in this Agreement and the Authority and the Operator shall have no other rights against or to the monies in the Escrow Account.

3 DEPOSITS INTO ESCROW ACCOUNT

3.1 Deposits by the Operator

3.1.1 The Operator agrees and undertakes that it shall deposit into and/or credit the Escrow Account with:

- a) all monies received in relation to the Project from any source, including the Authority;
- b) all funds received by the Operator from its share-holders, in any manner or form;
- c) all revenues collected by the Operator;
- d) any other revenues, rentals, deposits or capital receipts, as the case may be, from or in respect of the Project; and
- e) all proceeds received pursuant to any insurance claims.

3.1.2 The Operator may at any time make deposits of its other funds into the Escrow Account, provided that the provisions of this Agreement shall apply to such deposits.

3.2 Deposits by the Authority

The Authority agrees and undertakes that, as and when due and payable, it shall deposit into and/or credit the Escrow Account with:

- a) all revenue collected by the Authority in exercise of its rights under the O&M Agreement;

3.3 Interest on deposits

The Escrow Bank agrees and undertakes that all interest accruing on the balances of the Escrow Account shall be credited to the Escrow Account; provided that the Escrow Bank shall be entitled to appropriate therefrom the fee and expenses due to it from the Operator in relation to the Escrow Account and credit the balance remaining to the Escrow Account.

4 WITHDRAWALS FROM ESCROW ACCOUNT

4.1 Withdrawals during License Period

4.1.1 At the beginning of every month, the Escrow Bank shall withdraw amounts from the Escrow Account and appropriate them in the following order by depositing such amounts in the relevant Sub-Accounts for making due payments, and if such payments are not due in any month, then retain such monies in such Sub-Accounts and pay out therefrom on the Payment Date(s):

- a) all taxes due and payable by the Operator for and in respect of the Project;
- b) all O&M Fee and other payment due and payable to the Authority;
- c) all payments relating to operation and maintenance of the Project;

- d) all other costs and expenses incurred by the Authority in accordance with the provisions of this Agreement, and certified by the Authority as due and payable to it;
- e) all payments, interests and Damages certified by the Authority as due and payable to it by the Operator; and
- f) balance, if any, in accordance with the instructions of the Operator

4.1.2 No later than 60 (sixty) days prior to the commencement of each Accounting Year, the Operator shall provide to the Escrow Bank, details of the amounts likely to be required for each of the payment obligations set forth in this Clause 4.1; provided that such amounts may be subsequently modified, with prior written approval of the Authority, if fresh information received during the course of the year makes such modification necessary.

4.1.3 The Operator shall not in any manner modify the order of payment specified in Clause 4.1.1, except with the prior written approval of the Authority.

4.2 Withdrawals upon Termination

4.2.1 Notwithstanding anything to the contrary contained in this Agreement, all amounts standing to the credit of the Escrow Account shall, upon Termination, be appropriated in the following order:

- a) all taxes due and payable by the Operator for and in respect of the Project;
- b) all O&M Fee and other payment due and payable to Authority;
- c) all payments and Damages certified by the Authority as due and payable to it by the Operator;
- d) incurred or accrued O&M Expenses;
- e) any other payments required to be made under this Agreement; and
- f) balance, if any, in accordance with the instructions of the Operator:

Provided that the disbursements specified in Sub-clause (f) of this Clause 4.2 shall be undertaken only after the Vesting Certificate has been issued by the Authority.

4.3 Application of insufficient funds

Funds in the Escrow Account shall be applied in the serial order of priority set forth in Clauses 4.1 and 4.2, as the case may be. If the funds available are not sufficient to meet all the requirements, the Escrow Bank shall apply such funds in the serial order of priority until exhaustion thereof.

4.4 Application of insurance proceeds

Notwithstanding anything in this Agreement, the proceeds from all insurance claims, except life and injury, shall be deposited into and/or credited to the Escrow Account and

utilised for any necessary repair, reconstruction, reinstatement, replacement, improvement, delivery or installation of the Project, and the balance remaining, if any, shall be applied in accordance with the provisions contained in this behalf in the Financing Agreements.

4.5 Withdrawals during Suspension

Notwithstanding anything to the contrary contained in this Agreement, the Authority may exercise all or any of the rights of the Operator during the period of Suspension under Article 15 of the O&M Agreement. Any instructions given by the Authority to the Escrow Bank during such period shall be complied with as if such instructions were given by the Operator under this Agreement and all actions of the Authority hereunder shall be deemed to have been taken for and on behalf of the Operator.

5. OBLIGATIONS OF THE ESCROW BANK

5.1 Segregation of funds

Monies and other property received by the Escrow Bank under this Agreement shall, until used or applied in accordance with this Agreement, be held by the Escrow Bank in trust for the purposes for which they were received, and shall be segregated from other funds and property of the Escrow Bank.

5.2 Notification of balances

7 (seven) business days prior to each Payment Date (and for this purpose the Escrow Bank shall be entitled to rely on an affirmation by the Authority as to the relevant Payment Dates), the Escrow Bank shall notify the Authority of the balances in the Escrow Account and Sub-Accounts as at the close of business on the immediately preceding business day.

5.2.1 Communications and notices

In discharge of its duties and obligations hereunder, the Escrow Bank:

- a) may, in the absence of bad faith or gross negligence on its part, rely as to any matters of fact which might reasonably be expected to be within the knowledge of the Operator upon a certificate signed by or on behalf of the Operator;
- b) may, in the absence of bad faith or gross negligence on its part, rely upon the authenticity of any communication or document believed by it to be authentic;
- c) shall, within 5 (five) business days after receipt, deliver a copy to the Authority of any notice or document received by it in its capacity as the Escrow Bank from the Operator or any other person hereunder or in connection herewith; and
- d) shall, within 5 (five) business days after receipt, deliver a copy to the Operator of any notice or document received by it from the Authority in connection herewith.

5.3 No set off

The Escrow Bank agrees not to claim or exercise any right of set off, banker's lien or other right or remedy with respect to amounts standing to the credit of the Escrow Account. For the avoidance of doubt, it is hereby acknowledged and agreed by the Escrow Bank that the monies and properties held by the Escrow Bank in the Escrow Account shall not be considered as part of the assets of the Escrow Bank and being trust property, shall in the case of bankruptcy or liquidation of the Escrow Bank, be wholly excluded from the assets of the Escrow Bank in such bankruptcy or liquidation.

5.4 Regulatory approvals

The Escrow Bank shall use its best efforts to procure, and thereafter maintain and comply with, all regulatory approvals required for it to establish and operate the Escrow Account. The Escrow Bank represents and warrants that it is not aware of any reason why such regulatory approvals will not ordinarily be granted to the Escrow Bank.

6. ESCROW DEFAULT

6.1 Escrow Default

6.1.1 Following events shall constitute an event of default by the Operator (an **“Escrow Default”**) unless such event of default has occurred as a result of Force Majeure or any act or omission of the Authority:

- a) the Operator commits breach of this Agreement by failing to deposit any receipts into the Escrow Account as provided herein and fails to cure such breach by depositing the same into the Escrow Account within a Cure Period of 5 (five) business days;
- b) the Operator causes the Escrow Bank to transfer funds to any account of the Operator in breach of the terms of this Agreement and fails to cure such breach by depositing the relevant funds into the Escrow Account or any Sub-Account in which such transfer should have been made, within a Cure Period of 5 (five) business days;
or
- c) the Operator commits or causes any other breach of the provisions of this Agreement and fails to cure the same within a Cure Period of 5 (five) business days.

6.1.2 Upon occurrence of an Escrow Default, the consequences thereof shall be dealt with under and in accordance with the provisions of the O&M Agreement.

7. TERMINATION OF ESCROW AGREEMENT

7.1 Duration of the Escrow Agreement

This Agreement shall remain in full force and effect so long as any sum remains to be advanced or is outstanding from the Operator or any of its obligations to the Authority remain to be discharged, unless terminated earlier by consent of all the Parties or otherwise in accordance with the provisions of this Agreement.

7.2 Substitution of Escrow Bank

The Operator may, by not less than 45 (forty five) days prior notice to the Escrow Bank and the Authority terminate this Agreement and appoint a new Escrow Bank, provided that the new Escrow Bank is acceptable to the Authority and arrangements are made satisfactory to the Authority for transfer of amounts deposited in the Escrow Account to a new Escrow Account established with the successor Escrow Bank. The termination of this Agreement shall take effect only upon coming into force of an Escrow Agreement with the substitute Escrow Bank.

7.3 Closure of Escrow Account

The Escrow Bank shall, at the request of the Operator and the Authority made on or after the payment by the Operator of all outstanding amounts under the O&M Agreement including the payments specified in Clause 4.2, and upon confirmation of receipt of such payments, close the Escrow Account and Sub-Accounts and pay any amount standing to the credit thereof to the Authority. Upon closure of the Escrow Account hereunder, the Escrow Agreement shall be deemed to be terminated.

8. SUPPLEMENTARY ESCROW AGREEMENT

8.1 Supplementary Escrow Agreement

The Authority and the Operator shall be entitled to enter into a supplementary escrow Agreement with the Escrow Bank providing, inter alia, for detailed procedures and documentation for withdrawals from Sub-Accounts pursuant to Clause 4.1.1 and for matters not covered under this Agreement such as the rights and obligations of Authority, investment of surplus funds, restrictions on withdrawals by the Operator in the event of breach of this Agreement or upon occurrence of an Escrow Default, procedures relating to operation of the Escrow Account and withdrawal therefrom, reporting requirements and any matters incidental thereto; provided that such supplementary escrow Agreement shall not contain any provision which is inconsistent with this Agreement and in the event of any conflict or inconsistency between provisions of this Agreement and such supplementary escrow Agreement, the provisions of this Agreement shall prevail.

9. INDEMNITY

9.1 General indemnity

9.1.1 The Operator will indemnify, defend and hold the Authority and Escrow Bank harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of any breach by the Operator of any of its obligations under this Agreement or on account of failure of the Operator to comply with Applicable Laws and Applicable Permits.

9.1.2 The Authority will indemnify, defend and hold the Operator harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Authority to fulfil any of its obligations under this Agreement materially and adversely affecting the performance of the Operator's obligations under the O&M Agreement or this Agreement other than any loss, damage,

cost and expense arising out of acts done in discharge of their lawful functions by the Authority, its officers, servants and agents.

- 9.1.3 The Escrow Bank will indemnify, defend and hold the Operator harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Escrow Bank to fulfil its obligations under this Agreement materially and adversely affecting the performance of the Operator's obligations under the O&M Agreement other than any loss, damage, cost and expense, arising out of acts done in discharge of their lawful functions by the Escrow Bank, its officers, servants and agents.

9.2 Notice and contest of claims

In the event that any Party hereto receives a claim from a third party in respect of which it is entitled to the benefit of an indemnity under Clause 5.1 or in respect of which it is entitled to reimbursement (the "**Indemnified Party**"), it shall notify the other Party responsible for indemnifying such claim hereunder (the "**Indemnifying Party**") within 15 (fifteen) days of receipt of the claim and shall not settle or pay the claim without the prior approval of the Indemnifying Party, which approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or Dispute the claim, it may conduct the proceedings in the name of the Indemnified Party and shall bear all costs involved in contesting the same. The Indemnified Party shall provide all cooperation and assistance in contesting any claim and shall sign all such writings and documents as the Indemnifying Party may reasonably require.

10. DISPUTE RESOLUTION

10.1 Dispute resolution

- 10.1.1 Any Dispute, difference or claim arising out of or in connection with this Agreement, which is not resolved amicably, shall be decided finally by reference to arbitration to a Board of Arbitrators comprising one nominee of each Party to the Dispute, and where the number of such nominees is an even number, the nominees shall elect another person to such Board. Such arbitration shall be held in accordance with the Rules of Arbitration of the International Centre for Alternative Dispute Resolution, New Delhi (the "**Rules**") or such other rules as may be mutually agreed by the Parties, and shall be subject to the provisions of the Arbitration and Conciliation Act, 1996.
- 10.1.2 The Arbitrators shall issue a reasoned award and such award shall be final and binding on the Parties. The place of arbitration shall be Raipur and the language of arbitration shall be English.

11. MISCELLANEOUS PROVISIONS

11.1 Governing law and jurisdiction

This Agreement shall be construed and interpreted in accordance with and governed by the laws of India, and the Courts at Raipur shall have jurisdiction over all matters arising out of or relating to this Agreement.

11.2 Waiver of sovereign immunity

The Authority unconditionally and irrevocably:

- a) agrees that the execution, delivery and performance by it of this Agreement constitute commercial acts done and performed for commercial purpose;
- b) agrees that, should any proceedings be brought against it or its assets, property or revenues in any jurisdiction in relation to this Agreement or any transaction contemplated by this Agreement, no immunity (whether by reason of sovereignty or otherwise) from such proceedings shall be claimed by or on behalf of the Authority with respect to its assets;
- c) waives any right of immunity which it or its assets, property or revenues now has, may acquire in the future or which may be attributed to it in any jurisdiction; and
- d) consents generally in respect of the enforcement of any judgement or award against it in any such proceedings to the giving of any relief or the issue of any process in any jurisdiction in connection with such proceedings (including the making, enforcement or execution against it or in respect of any assets, property or revenues whatsoever irrespective of their use or intended use of any order or judgement that may be made or given in connection therewith).

11.3 Priority of agreements

In the event of any conflict between the O&M Agreement and this Agreement, the provisions contained in the O&M Agreement shall prevail over this Agreement.

11.4 Alteration of terms

All additions, amendments, modifications and variations to this Agreement shall be effectual and binding only if in writing and signed by the duly authorised representatives of the Parties.

11.5 Waiver

11.5.1 Waiver by any Party of a default by another Party in the observance and performance of any provision of or obligations under this Agreement:

- a) shall not operate or be construed as a waiver of any other or subsequent default hereof or of other provisions of or obligations under this Agreement;
- b) shall not be effective unless it is in writing and executed by a duly authorised representative of the Party;
- c) shall not affect the validity or enforceability of this Agreement in any manner; and

- d) Neither the failure by any Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement or any obligation thereunder nor time or other indulgence granted by any Party to another Party shall be treated or deemed as waiver of such breach or acceptance of any variation or the relinquishment of any such right hereunder.

11.6 No third party beneficiaries

This Agreement is solely for the benefit of the Parties and no other person or entity shall have any rights hereunder.

11.7 Survival

11.7.1 Termination of this Agreement:

- a) shall not relieve the Parties of any obligations hereunder which expressly or by implication survive termination hereof; and
- b) except as otherwise provided in any provision of this Agreement expressly limiting the liability of either Party, shall not relieve either Party of any obligations or liabilities for loss or damage to the other Party arising out of, or caused by, acts or omissions of such Party prior to the effectiveness of such termination or arising out of such termination.

11.7.2 All obligations surviving the cancellation, expiration or termination of this Agreement shall only survive for a period of 3 (three) years following the date of such termination or expiry of this Agreement.

11.8 Severability

If for any reason whatever any provision of this Agreement is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties will negotiate in good faith with a view to agreeing to one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearly as is practicable to such invalid, illegal or unenforceable provision. Failure to agree upon any such provisions shall not be subject to Dispute resolution under Clause 12.1 of this Agreement or otherwise.

11.9 Successors and assigns

This Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

11.10 Notices

All notices or other communications to be given or made under this Agreement shall be in writing and shall either be delivered personally or sent by courier or registered post with an additional copy to be sent by facsimile or e-mail. The address for service of each Party, its facsimile number or e-mail are set out under its name on the signing pages hereto. A notice shall be effective upon actual receipt thereof, save that where it is received after 5.30 (five thirty) p.m. on a business day, or on a day that is not a business day, the notice shall be deemed to be received on the first business day following the date of actual receipt. Without prejudice to the foregoing, a Party giving or making a notice or communication by facsimile or e-mail shall promptly deliver a copy thereof personally, or send it by courier or registered post to the addressee of such notice or communication. It is hereby agreed and acknowledged that any Party may by notice change the address to which such notices and communications to it are to be delivered or mailed. Such change shall be effective when all the Parties have notice of it.

11.11 Language

All notices, certificates, correspondence and proceedings under or in connection with this Agreement shall be in English.

11.12 Authorised representatives

Each of the Parties shall, by notice in writing, designate their respective authorised representatives through whom only all communications shall be made. A Party hereto shall be entitled to remove and/or substitute or make fresh appointment of such authorised representative by similar notice.

11.13 Original Document

This Agreement may be executed in four counterparts, each of which when executed and delivered shall constitute an original of this Agreement.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED AND DELIVERED THIS AGREEMENT AS OF THE DATE FIRST ABOVE WRITTEN.

CHAPTER 1: INTRODUCTION

State of Chhattisgarh came into existence on 1st November 2000. Chhattisgarh has about 44 percent of its geographical area (135,224 sq. km) under forests. The population of the state is predominantly tribal, who have significant economic and cultural dependence on the forests of the state for their food, fodder and fuel. There is a large population of non-tribal landless and economically backward communities in the state who derive livelihood security from the forests of the state. Minor Forest Produce (MFP) including medicinal plants provide sustenance to the tribal population and to other communities residing in and around the forests. Collection of MFP is the major source of livelihood of tribal and other forest based rural communities. Richness of availability of medicinal, herbal and economically valued MFPs, tribal-population equipped with vast traditional knowledge of right and timely collection of major MFPs; established State of Chhattisgarh into a “HERBAL STATE OF INDIA”.

India is the world’s largest producer of tamarind with an average production of about 1, 91,750 Metric Tons in the year 2015-2016.

In India the tree is particularly abundant in States of Chhattisgarh, Jharkhand, Maharashtra and Madhya Pradesh, Bihar and West Bengal. **Tamarind** is also cultivated in the states of Tamil Nadu, Karnataka, Andhra Pradesh, Maharashtra and Telangana.

“ Tamarind is an important cash crop of India and includes 6th position in terms of export earnings.”

INTEGRATED TAMARIND PROCESSING PLANT in the mineral and herbal-rich state of Chhattisgarh can be a Eureka for the dwellers and can directly impact the bottom line of the State Revenue. This will have a great impact on each level of the pyramid of this establishment. Be it a Rural Tamarind picker to the establishment employees, Governance of the unit, Traders, retailers and at large to the Government and the STATE of CHHATTISGARH.

CHAPTER 2: ABOUT PRODUCT

Integrated Tamarind Processing plant will be installed to process the treasure of the jungle –“Tamarind” to Primary, Secondary & Tertiary level of processing. It is proposed to make the following products in the plant during the first phase of installation

- Tamarind Paste- heated pulp (clarified paste- 1:3) 35% brix

The automation of this process shall help in improving the efficiency of the process, make it more hygienic, fetch higher profits and will also facilitate better use of this Underutilized treasure of the forest. The machine will also reduce human labor, labor cost, and time keeping the quality of the pulp more or less unchanged.

- Tamarind Concentrate- 65%- 68% Brix

Tamarind pulp / Puree and Concentrate is the unfermented product which is capable of fermentation, obtained from fresh or dried tamarind, by boiling with water and sieving it, and preserved either by thermal processing or using permitted preservatives.

Tamarind Concentrate is the product obtained from tamarind pulp / puree from which water has been removed by evaporation to achieve appropriate concentration

- Tamarind Kernels (Pappu)
- Tamarind kernel Powder 60-100, 200, 300 and 400 mesh size.

Earlier, The cotyledon or kernel in tamarind seeds were considered as a waste. However, the kernel contains starch and gum which is processed under different steps to transform into powder form. Tamarind Kernel powder has **excellent water absorption** property and **high viscosity** as well. It is applied as thickening agent in sizing process of textile industry and printing industry. It is also applied in pharma industry for its **binding property**.

Various grades are delegated to Tamarind Seeds following which these seeds are methodically ground to powder conserving their nutritious properties, than these seeds are roasted and decorticated. The kernels of these seeds are separated by color sorter to obtain, rich tamarind kernel powder.

- Carboxy Methyl Tamarind (Modified or Derivative Gum).

TAMARIND KERNELS TO POWDER PROCESS & MACHINES

TKP is collected as per different mesh size
M-Pulse Jet collector

ACM Compressor is also used to facilitate the Milling process

Air Classifier Mills are used to Mill the Flakes and sort them automatically as per different mesh size.

CHAPTER 7: CONCLUSION

ANALYSIS OF TAMARIND & ITS VALUE ADDED PRODUCTS

TAMARIND AND IT'S BY PRODUCTS HAVE A HIGH POTENTIAL FOR EXPORT, WE REALIZE THAT IN 2019 JUST BEFORE PANDEMIC WE HAVE TOUCHED ALMOST A LAC TONNE EXPORTS ACROSS THE GLOBE AND INDIA BEING ONE OF THE BIGGEST PRODUCERS OF THE FRUIT HAS AN ADVANTAGE OF CREATING A NICHE FOR THIS PRODUCT

DUE TO PANDEMIC THE MARKET HAS DIPPED TO 50% BUT HAS GENERATED HIGHER REVENUE BY SELLING 50% QUANTITY AT A HIGHER PRICE WHICH INDICATES THAT THE DEMAND IS **INDISPENSABLE**

IN 2021 THE DEMAND IS AGAIN RISING AND HAS ALMOST REACHED THE TOTAL EXPORT QUANTITY OF 2020 WITHIN 3 QUARTERS (WE STILL HAVE ALMOST A QUARTER TO GO). THE PRICE IS ALSO HIGHER THAN 2019 AND EQUAL TO 2020.

IN INDIA THERE IS DEMAND FOR TAMARIND IN ALMOST EVERY HOUSEHOLD ACROSS THE COUNTRY BUT STILL THE TAMARIND PROCESSED COMMODITIES MARKET IS UNEXPLORED AND HAS POTENTIAL TO GROW SINCE THE EXPERIMENTS DONE IN THE PAST HAVE SHOWN POSITIVE RESPONSE FROM CONSUMERS

CONCLUSION ON THE MARKET ANALYSIS

THE ANALYSIS FOR LAST 3 YEARS DATA REVEALS THAT THE DEMAND OF TAMARIND AND ITS VALUE ADDED PRODUCTS IS PERSISTENT & PERINEAL. THERE IS HUGE SCOPE OF PROCESSING UNIT SINCE IT IS NOT ORGANIZED AS YET AND ONLY 10% OF THE TOTAL TAMARIND PRODUCTION IS PROCESSED REST OF IT IS USED AS IT IS. CONSIDERING THE REVENUE PART THIS MARKET CAN GENERATE HIGHER REVENUE FOR THE VILLAGERS AS WELL AS PROCESSING UNITS AS THE PRICE OF PROCESSED PRODUCT IS ALMOST 2-3 TIMES MORE THAN THE RAW TAMARIND. IN THE EXPORT MARKET ALSO IT SHOWS THAT IN THE PANDEMIC COUNTRIES HAVE PAID ALMOST DOUBLE THE PRICE TO FULFILL DEMAND OF TAMARIND IN THEIR RESPECTIVE MARKET. THUS, AS PER STUDY

INTEGRATED PROCESSING UNIT IS A PROFITABLE PROPOSITION
